ABOUT THE SCHOOLHOUSE:

This really was a schoolhouse back in the day, probably before you were born (if not, you're old). It was turned into a place of eating and drinking in the late 80's before which time it housed various folks. The current owner, Stacy Maloney, purchased the schoolhouse in 1994 and turned it into the kick-ass establishment that you see today, along with the homies Ickes & Terry. If you want something, go to the bar and ask for it, as our experiences have found most servers are relatively incompetent anyway. We'll get the food to you after you have ordered from the bar and PLEASE clean up the mess when you are finished. We're the world's first self/full service bar & restaurant (and proud of it!). Be wary of jokes and "smart-asses", they seem to be everywhere. Just sit back and have a good time even if you don't deserve it.

And please don't ask us if we have a restroom, it's a stupid question, even up here in the middle of nowhere it's a law that a restaurant has a bathroom.

ALL DINE-IN PARTIES OF 6 OR MORE WILL INCLUDE AN 18% AUTOMATIC GRATUITY, TAKE-OUT ORDERS WILL INCLUDE A 20% GRATUITY, & FORGOTTEN TABS WILL INCUR A 25% GRATUITY. IF YOU THINK THIS IS RIDICULOUS, PLEASE STAY UNTIL CLOSE (2:00AM) TO HELP US CLEAN THE RESTAURANT, OR RUN FOR OFFICE TO REDUCE INFLATION, THANKS!
